Child/Youth/Vulnerable Adults Protection Policy Statement for Milford United Methodist Church *Adopted by Church Council June 17, 2015*

I. Treatment of Children/Youth:

- All children/youth/vulnerable adults must be treated with respect and courtesy at all times.
- Never use, or threaten to use, physical contact or verbal interaction with a child/youth that can be threatening, punishing (rough handling), demeaning, suggestive, abusive or sexual in manner. Physical contact to restrain a child/youth/vulnerable adult from hurting him/her self or others must be used in the least restrictive way possible.
- The Social Principles of the United Methodist Church state "...Children must be protected from economic, physical, and sexual exploitation and abuse." (2008 The Book of Discipline paragraph 1262C)

II Supervision of Children/Youth:

- *An adult parent or guardian must insure that there is an adult leader and one other participant available at the church before leaving their child/youth at the church for any church activity.*
- To avoid the isolation of children/youth/vulnerable adults with adults, at least two unrelated adults must be present in a room whenever children/youth/vulnerable adults are present.
- We realize it is not always possible to ensure there are 2 adults when children are being transported to and from gatherings, we recommend parents sign written consent forms for those occasions.
- All interior windows must remain uncovered so that children/youth are able to be seen at all times from public places (i.e. hallways). In some instances, a hall monitor may be used as a second adult for short periods. (ie.discipline, leaving the room for supplies or to accompany another child/ youth to another room)
- Children/youth should not be allowed to leave the classroom/activity area during class/activity time without age-appropriate guidance. (Age appropriate may be defined as 2 children age 11 or older, and only for the purpose of retrieving something for use by the group they are leaving.)
- Do not send two children/youth off for behavior problems or to work privately. Do not allow an older child/youth to take a younger child/youth off for private time. Susan had a comment here about when we use older children to help with the younger. I believe this implies actions outside of the classroom /activity. Suggestions for wording here, please
- In some cases, a young adult may be used to provide the second person in an event setting. In these cases. The young adult must be at least 11 years of age and at least 2 years older than the other children in the situation and certified as baby sitters.

III Off-Premises Activities:

- All activities off premises must have a minimum of two unrelated adults. One male and one female are required if it is a coed group and overnight in duration.
- Written permission slips must be obtained from parents or guardians before any off premise trips are taken or before any child/youth is transported to and from events. In emergency situations, best judgment is allowed (see section II above).

- All private meetings (on or off premises) between adult worker and child/youth must be approved by parents/guardians and a church leader before the meeting.
- Only adults with a valid driver's license and a safe driving record (records may be requested) will do any transporting of children/youth. Drivers will obey all traffic laws while transporting children/youth. Drivers will be asked to provide a copy of a current and valid driver's license and proof of registration, insurance and inspection. All children/youth must use appropriate safety restraints.
- When youth have valid licenses and are driving with other youth to events, parents should fill out a yearly consent form approving these situations.

IV Other:

- An annual training workshop for all Sunday school and youth workers and any leader of programs where children / youth or vulnerable adults should be established and should occur before the start of each new Sunday School year. Support, guidance and instruction is *available from the Education Team or one of their representatives to help* all persons working in any capacity with Youth / Children / Vulnerable adult work within the church mission. This Child/Youth Protection Policy Statement will be shared with all of these persons each year. This policy will be reviewed periodically for necessary changes.
- Children/youth workers must have been members for at least six months or have been in regular attendance for at least one year to be considered for working with children/youth. All who work with children/youth, both paid and volunteer, will complete the Primary Screening Form for Children/ Youth or Vulnerable Adult Work found under Safe Sanctuary Document on the church website and within this document. These references will be checked and a criminal reference check will be preformed every 2 years for each person working with children/ youth / vulnerable adult. Persons who have been working with children/youth for at least one year during the preceding five years at the time of the inception of the policy will be allowed to continue in their positions while their references checks are completed. Each person working with Children / Youth/ Vulnerable Adult will fill out and return the Participant Covenant Statement. Interviews may be conducted if requested by the Education team and / or the Pastor. All applications and reference contact forms will be confidential and restricted to legitimate use and kept by the Pastor. The pastor will lock the originals and provide a list of approved persons to the church office administrator and those working with youth as requested.
- All new persons requesting to work with Children/Youth/ Vulnerable Adults, will not be allowed to work in these positions until background information is completed and returned.
- In the event of an allegation, the pastor is the only person to talk to the media. If the pastor is not available then the lay leader will be designated the spokesperson for the church. If the accusation is against the pastor, the District Superintendent would be the spokesperson. If the lay leader is involved and the pastor is unavailable, the chair of the Church Council would be the spokesperson.
- A reporting procedure for all alleged incidents of abuse is available under the Safe Sanctuary

Documents on the church website. and within this document,

V IMPLEMENTATION PROCEDURES FOR THE FIRST 2 BULLETS SECTION"OTHER" ABOVE

- At the first Christian Education meeting of each program year, the Christian Education Team Leader or pastor will review the Child/Youth / Vulnerable Adult Protection Policy with all department workers to ensure their awareness and understanding of the policy.
- As the policy is implemented and experienced, the Christian Education Team may elect to review the content of the policy as they deem necessary, and submit revisions to the Church Council for approval.
- Beginning with the summer of 2015 and thereafter, application forms will be distributed by the Christian Education Team to all new Child/Youth/Vulnerable Adult workers for completion and immediate return.
- The pastor will conduct requested interviews with Christian Education workers and volunteers during the late summer and early fall.

Adopted by Church Council June 17, 2015

Milford United Methodist Church, Milford, NH Anti-Bullying, Harassment, and Intimidation Policy

Purpose

One of the goals of the Milford United Methodist Church is to promote positive relations among its community and especially to oppose bullying, harassment, and intimidation (BHI) in all of its forms by all members of the church community.

Scriptural Basis

Jesus taught the Greatest Commandment: first, love God with all of your heart, mind, and strength, and secondly, to love your neighbor as you love yourself. (Matthew 22:37, 39) Further, Jesus has given the Golden Rule as direction: "Treat others just as you want to be treated." (Luke 6:31)

Definition of Bullying, Harassment, and Intimidation

A conscious, willful, and deliberate hostile activity intended to harm, induce fear through the threat of further aggression, and create terror. It is not about anger, nor about conflict; it is about contempt --- a powerful feeling of dislike toward someone considered to be worthless/inferior/undeserving of respect.

BHI always includes these three elements:

- **Imbalance of power** --- the bully can be older, bigger, stronger, more verbal, higher on the social scale, a different race, the opposite sex, or a large number of kids banded together.
- **Intent to do harm** --- the bully means to inflict emotional harm and/or physical pain, expects the action to hurt, and takes pleasure in witnessing the hurt.
- **Threat of further aggression** --- both bully and bullied know that the bullying can and probably will occur again.

When bullying escalates unabated, a fourth element is added:

- **Terror** --- systematic violence used to maintain dominance.

Our Position on Rights and Responsibilities

Based on our belief that all persons are of sacred worth, we declare that it is the right of all individuals of all ages to be free of victimization. It is the responsibility of those who witness victimization to stop it and/or to speak to a trusted adult/pastor. The leadership of the church will intentionally seek to prevent and deal with BHI through:

- Establishing a policy supervisor to oversee policy use
- Setting rules concerning BHI behavior
- Responding to incidents in a prompt manner
- Seeing that both the bullied and bully are dealt with in a responsible and caring manner
- Overseeing training and education of staff and congregation concerning BHI

Summary of Rules Concerning BHI

The church will be a safe sanctuary for all. We prohibit acts of BHI as well as active or passive

support of BHI. All staff and volunteers who work with children and youth will be expected to demonstrate appropriate behavior; treat others with civility, kindness, and respect; and refuse to tolerate BHI.

**Providing Safe Sanctuaries at Milford United Methodist Church (MUMC)
Regarding Registered Sex Offenders**

In keeping with our belief in the transforming grace of Jesus Christ and our desire to embody Christ's love and compassion, it is MUMC's desire to provide support and accountability to all of our members, including registered sex offenders. In keeping with that desire, all registered sex offenders must enter into the following behavior agreement. We will seek to find appropriate ways to have registered sex offenders receive the love, care, and support of the church, while at the same time ensuring that appropriate boundaries designed to protect all parties are respected. As long as those boundaries are respected, there is no good reason why the church cannot continue to be a healing resource for all those involved.

The purpose of this agreement is three-fold:

1. To protect the children and youth of the church and to provide some level of reassurance for parents and adults.
2. To protect the offender from a false accusation.
3. To provide accountability for the offender as he/she seeks to take responsibility for the consequences of his/her past actions; we do not wish to minimize or dismiss the seriousness of these offenses, even as we want to support the offender in his/her desire to grow in Christian faith and determination not to re-offend.
